

SHUTTERING TAPE

**CONFORMABLE PVC TAPE
SELF-ADHESIVE
HEAVY-DUTY & DURABLE**

Seals shuttering moulds and formwork boxes

Plasticised PVC film coated with a solvent based rubber-resin adhesive specially formulated to resist shuttering oils.

- Non-corrosive adhesive
- Excellent UV, water and abrasion resistance
- The tape will not rust, stain or corrode during application

Offers surface protection from knocks and scrapes, and can be used on dusty, uneven and oily surfaces.

Also known as FORMWORK TAPE
