

PRODUCT DATA SHEET

ECO™ BARRIER TAPE

UKT10

Ref	TS305
Date	Nov 2023
Pages	1 of 1

DESCRIPTION

High quality, non-adhesive plastic barrier tape printed with high visibility warning diagonal stripes. The tape is made from 100% virgin grade polyethylene.

ECO™ Barrier Tape is available in two different colour formats (red & white or black & yellow) and supplied in 50M, 100M, 250M or 500M long rolls.

Custom printing is available on request.

ECO™ Barrier Tape is a tradename of UK Tapes Ltd.

INSTRUCTIONS / USES

Used to temporarily cordon off hazardous areas and to mark out incident scenes, race courses, construction areas etc.

BENEFITS / KEY FEATURES

- > ECO™ Barrier Tape offers excellent quality for a low price
- > Each 500M roll of ECO™ Barrier Tape is supplied in a handy cardboard dispenser carton
