DESCRIPTION

Premium quality, prismatic, self-adhesive, retro-reflective marking tape specifically designed for use lorries, vans, HGVs and other vehicles.

Shines brightly in darkness when a light is directed towards it.

Available in 3 colours :

White (front of vehicle)
Yellow (sides of vehicle)
Red (rear of vehicle)

Available in 2 grades :

For RIGID-SIDED vehicles and for CURTAIN-SIDED vehicles.

CONSTRUCTION

The tape consists of prismatic lenses formed in a durable, transparent resin, sealed in a synthetic film and backed with an aggressive pressure sensitive adhesive with a protective liner.

APPLICATION

For best results, apply in temperatures of not less than 10°C. Ensure the surface is clean, dry and free from dust, grease, oils etc. Remove the backing paper, unroll the tape and apply pressure evenly to ensure a firm bond.

BENEFITS / KEY FEATURES

- > Complies with ECE 104
- > The tape is embossed with a quality mark to show that it is genuine ECE 104 grade material
- > Prismatic – Excellent reflectivity
