

PRODUCT DATA SHEET

DAY-GLO MARKING TAPE

UKT28

Ref	TSS57
Date	Dec 2014
Pages	1 of 1

DESCRIPTION

Brightly coloured, self-adhesive vinyl marking tape supplied in six intense colours.

The tough, cadmium-free vinyl tape is highly conspicuous during the day in poor visibility conditions, especially useful at dawn or dusk.

INSTRUCTIONS / USES

Provides a vivid, highly noticeable marking on vehicles, signs, bollards, gateways, posts, bicycles, yachts, safety helmets etc.

Also widely used on advertising and promotional displays.

For best results, apply in temperatures of not less than 5°C, ensuring the surface is clean, dry and free from dust, grease, oil etc. Unroll the tape, peel off the backing liner and apply with even pressure to ensure a firm bond.

BENEFITS / KEY FEATURES

- > Highly visible
- > Available in 6 vivid colours

TECHNICAL INFORMATION
