PRE-PRINTED ADHESIVE TAPES : COSHH

UKT30

DESCRIPTION Premium quality, self-adhesive tape, pre-printed with a warning symbol and identification text.

INSTRUCTIONS / USES Used to label and identify hazardous substances.

As notified by the HSE Health & Safety Executive, there are new European Regulations (EC) No 1272/2008 on classification, labelling and packaging of substances and mixtures which came into force on 20 January 2009. This tape aids the labelling and packaging of such substances.

Meets the CLP / GHS classification requirements – ie the tapes feature the updated warning symbols.

BENEFITS / KEY FEATURES

- > Premium quality
- > The tapes feature the new CLP / GHS warning symbols plus identification text
- > Ex-stock delivery
