

TWININATE™ PRINTED, SELF-ADHESIVE TAPE

UKT30

Ref	TS 585 K
Date	JULY 2024
Pages	1 of 1

DESCRIPTION

High quality, self-adhesive marking tape available with a wide range of different printed texts, stripes, chequers, or plain colours.

Made from a twin-ply construction of a premium quality, self-adhesive vinyl base layer laminated with a transparent, protective polypropylene covering.

The wipe-clean, scuff-proof finish extends durability of the product.

INSTRUCTIONS / USES

100s of uses from highlighting hazards, warning of potentially dangerous materials, marking pipework, identifying dry-lining installations, floor marking, plus much more

BENEFITS / KEY FEATURES

- > High visibility: instant warning
- > Made from a heavy-duty, twin-ply construction for extra durability
- > Scuff-proof covering
- > Designed for long-term internal use or temporary use external use.

TWININATE™ is a trade name of UK Tapes Ltd
