

PRODUCT DATA SHEET

24/7™ REFLECTIVE BARRIER TAPE

UKT34RW250

Ref	TS641
Date	Dec 2014
Pages	1 of 1

DESCRIPTION

Premium quality, non-adhesive plastic barrier tape with red, white and reflective stripes to offer high visibility warning 24 hours a day, 7 days a week.

The retro-reflective stripes can be picked up in the dark by car headlights, torch light, head torches etc

Made from strong, non-adhesive polythene.

Each roll is supplied in a handy cardboard dispenser carton.

Can be custom-printed, subject to minimum quantity requirements.

USES

A night and day barrier tape.

Ideal for all cordon / barricading applications, in particular those that will be in place both during the day and at night.

BENEFITS / KEY FEATURES

- > Premium quality barrier tape
- > High visibility during the day – reflective at night.
- > Supplied in a handy dispenser carton
